Subject: Purchase Card Request for Delta Shipyard (06GC) Related Enforcement Activity

Lydia,

Do I have your permission to use my purchase card to pay \$50.00 for 30-days of access to the Terrebonne Parish Clerk's web site? Access to this web site will allow me to review entries on the Parish's grantor/grantee index for the period 1/1/71 through the present time.

Also, do I have your permission to use my purchase card to pay an amount not exceeding \$100.00 for the cost of copied selected site related documents that have been recorded the by Terrebonne Parish Clerk?

Copies of requested selected documents are needed to support enforcement activities at the Delta Shipyard (06GC) site.
